

## You are invited to the JTC Education Support Centre Disability Awareness Expo 2025

Each year, John Tonkin College ESC hosts the expo with the aim of bringing awareness and information about services to all people with disability.

There will be 100 stall holders throughout the MARC highlighting such things as disability services, therapy services, education, employment, inclusive sporting groups and community-based organisations.

This year's event also includes exciting "come Try" sessions, giving attendees hands on experience of various activities. Additionally, there will be door prizes and other activities to make the day even more enjoyable.

As a Parent / Caregiver of a current student of JTCESC, come say hello and view some of the work done through the school's fantastic programs.
