Do you have questions about the National Disability Insurance Scheme?

APM Communities invites you to Gwynne Park Education Support Centre, to ask us any questions you may have about the NDIS.

We will be available to answer your questions about NDIS access, pre-planning and implementation and can also link you to community resources to increase inclusion for people with disability.

Who should attend?

- People with disability who would like to access the NDIS
- Families and carers of people with disability
- Volunteers and staff who want to champion the NDIS and inclusion within their organisation and community

For more info, please contact your Local Area Coordinator or visit <https://apm.net.au/ndis/events/western-australia> or call 1300 276 522.
